

Booking Terms

We understand that plans can change, and we aim to keep our booking and cancellation policy clear, fair and respectful to both our clients and our practitioners.

By booking an appointment with Rejuv Skin Clinic, you agree to the following terms and conditions:

Appointments & Booking

Appointments are allocated on a first-come, first-served basis.

A deposit is required to secure all bookings. Appointments are not confirmed until the deposit has been paid. If payment is delayed, the appointment slot may be offered to another client.

Deposits are refundable and/or transferable to another appointment time if changes are made in line with our cancellation policy.

Treatments cannot proceed with active cold sores or if you have had injectables, advanced skin treatments, or semi-permanent make up within the past 14 days.

Clients must be 18 or over for all treatments.

Cancellations & Rescheduling

Appointments may be rescheduled up to 48 hours before the scheduled appointment time.

- Cancellations or changes made 24-48 hours of the appointment will result in a charge of 50% of the treatment cost.
- Cancellations or changes made within 24 hours of the appointment will result in a charge of 100% of the treatment cost.

The card details stored on the booking system will be charged, unless you specify another payment method.

For appointments that form part of a course, package, or subscription, a missed appointment without 48 hours' notice will be deducted from your remaining treatments.

Failure to attend

Failure to attend an appointment (no-show) will result in a charge of 100% of the treatment cost.

Late Arrivals

Late arrivals may result in your treatment being shortened or being unable to proceed. In such cases, the full cost of the treatment will still apply.

A new deposit will be required to rebook.

Payments

Full payment must be made at the time of the treatment.

Credit and debit card payments are accepted, including Amex.

Cash payments are accepted for the exact amount of the treatment. Rejuv Skin Clinic does not keep cash on the premises and no change can be given.

Gift Vouchers

Gift vouchers are valid for six months from purchase and cannot be used or replaced after expiry. Vouchers are non-refundable, cannot be exchanged for cash, and must be redeemed in a single visit by one person.

Lost or stolen cards can be replaced for a fee. Delivery is available for a fee.

Review Appointments

Routine review appointments for botulinum toxin treatments are available within 2–4 weeks of treatment. Adjustments or additional treatment cannot be offered beyond this timeframe.

Missed review appointments without at least 24 hours' notice may incur a £30 charge.

Treatments and skin plans discussed during a consultation must be booked within 3 months. After this time, a new consultation will be required.

Consultations

A consultation fee is payable and will be deducted from your treatment plan or course. This fee is non-refundable, even if treatment is deemed

unsuitable or you decide not to proceed.
